NATURAL METALS

Due to their beauty, durability and time-proven performance, natural metals are a preferred material used in architecture. The natural weathering process adds character and aesthetic appeal to any building design. In addition to natural metals, acrylic coated Galvalume®, and anodized aluminum as standard available materials.

Clear Anodized (70) *

Dark Bronze Anodized (71) *

Acrylic Coated Galvalume® (97) *

Copper (49)**
